## WORKFORCE INVESTMENT ACT

Number: WIAB05-50

Date: December 1, 2005  
Expiration Date: 6/30/06

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: FEEDBACK ON RAPID RESPONSE ON-SITE VISIT FORM  
(121 REPORT)

In response to a concern expressed by Local Workforce Investment Boards, effective immediately the State will supply to each local area monthly electronic listings of the 121 reports that have been received from each Local Workforce Investment Area (LWIA). These listings, to be provided via the assigned Regional Advisor, will display all of the data submitted on the 121 reports.

These listings will make it possible for LWIAs to confirm the validity of the State's data by checking whether the State has received notifications about all on-site visits conducted by each LWIA. It will also offer an opportunity for the LWIA to re-check the accuracy of the data submitted. The accuracy of these data is especially important to the LWIAs because the data are used in the calculation of Rapid Response funding.

Please inform your Regional Advisor of the individual(s) who should receive these listings for your LWIA.

If you have any questions, please contact your [Regional Advisor](#) at (916) 654-7799.
